face it: sooner or later, you'll have to think about the **f word**. no, not that one. we mean your **future**. and not this weekend, either—long-term, play-with-the-grandkids future. now, let's assume you **don't want it to suck**. what should you do?

simple: if you're eligible, **save more** through **The Red Bull Retirement Income Plan**—at least enough to max out on your **company match**.

hey, we're talking **free \$**. a way to give yourself a **bonus life**: after one year of employment, for every \$1 you contribute to your account—up to 6% of pay—Red Bull **kicks in** another \$.50.

do not bail on this benefit.
